Source Description

The fourth census of Canada covers seven provinces - British Columbia, Manitoba, New Brunswick, Nova Scotia, Ontario, Prince Edward Island, and Quebec; two territories - the Yukon Territory and the Northwest Territories; and one district - the District of Keewatin. In 1901 the Northwest Territories was comprised of these seven districts: Alberta, Assiniboia, Athabasca, Franklin, Mackenzie, Saskatchewan, and Ungava. The census provides many details about individuals and families including: name, gender, age, relationship to head of household, marital status, birthplace, religion, and occupation.
